YOU HELPED...

...2,449 kids prepare for kindergarten

425 children were enrolled in early childhood education programs

600 parents/caregivers were enrolled in home visiting programs to become their child's first teacher

"My shy, speech delayed son is now a confident, social and happy child and I don't think we could have gotten there without the help and services received by us from both the Pediatric Development Center and Gladys Allen Brigham Community Center."

– Parent of Early Childhood Education participant at Gladys Allen Brigham Community Center

...7,213 young people develop a plan for college or a career

281 young people were mentored

67 young people were enrolled in college and/or work readiness programs

Upon completing the culinary program at Railroad Street Youth Project, a mentee realized s/he wanted to focus on a possible future as a chef or baker and was matched with a professional pastry chef as a mentor. The pair worked together weekly in a local restaurant kitchen, where the mentee learned first-hand how to bake complex baked goods including crème brule, panna cotta and rosemary lemon cake.

– Railroad Street Youth Project – RSYF Mentoring Program

...878 local residents increase their income and assets

731 Federal tax returns were filed by Volunteer Income Tax Assistance (VITA) partners funded by Berkshire United Way

"Getting a summer internship is so valuable...this is a way for you to gain the experience you need to land a real job once you graduate."
