UNITED WAY

GENEROSITY IN ACTION

For years, General Dynamics Mission Systems employees have stepped forward for their Berkshire County neighbors. Through workplace giving, corporate support, and community engagement, your partnership helps Berkshire United Way bring people and resources together to strengthen household stability, support young people, and improve well-being throughout our region.

Thank you, General Dynamics.

Your workplace is part of a community of local companies and employees who believe that when we give together, we can accomplish more together.
